

COMPANY PROFILE

About Suluhu Think-Tank Limited

About Us

Suluhu Think-Tank Limited is a key player in business consulting and advisory services within Kenya. Our clients include the NG-CDF, County governments, county assemblies and private sector actors.

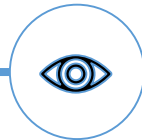

The core objective of Suluhu Think-tank is to bridge gaps between management approaches and its implementation plans.

Our team is composed of highly experienced, vibrant and creative players who are keen to every detail on the subject during our engagements and make every encounter both memorable and fulfilling.

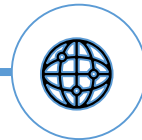

Our lead consultants are certified professionals in their area of expertise and possess relevant progressive experience in the specific subjects.
